K-8 Learning Community

Volunteer Transportation Assurance Form

Cell Phone Usage

It is an expectation that Exploris parents will not use cell phones to talk or text while driving students to and from school sponsored events. We expect parents to take extra care when driving students. If you have an emergency and must use the phone, please pull your vehicle over to a safe place to make your call. As always, continue to enforce our expectation for good behavior in the car—behavior should never distract a driver. Thank you for your cooperation with this very important issue.

Use of Seatbelts

Exploris drivers must conform with North Carolina's Child Restraint Law, G.S. 20-137.1, which states that all children less than 16 years of age must be properly restrained in a child restraint, booster seat, or safety belt no matter where they sit.

Exploris Driver's License & Insurance Verification:

All Exploris parents driving for fieldwork, service-learning, or any other school off-site trips, **MUST** submit the following:

1. A valid copy of your current driver license
2. A copy of your proof of insurance (the one you carry in your glove box).
3. A signed Vehicle Insurance Declaration form
4. A signed Volunteer Transportation Form (this form)

I have read and will abide by Exploris's Volunteer and Transportation procedures as outlined above and in the Exploris Parent/Student Handbook. If I am driving Exploris students on a school-approved trip, a copy of my current driver's license and proof of insurance has been made available to be kept on file at Exploris.
