

Capital Campaign and Center for Innovation

A Capital Campaign to Support North Carolina's First Energy Positive School

The Exploris School

For the first time in our **20-year history**, The Exploris School is launching its very own capital fundraising campaign as we prepare to open our unified K-8 school campus in the first and only state-of-the-art, energy-positive high-rise building in the country. This new building will allow us to expand our local and global reach, while also reducing our environmental footprint.

With the support of our community and the Exploris family, our goal is to raise one million dollars (\$1M) to assist with the construction of our new school building.

Your tax-deductible gift to the Exploris Capital Campaign is not simply a contribution to The Exploris School, but is an investment in our greater local and global community and the environment. The new Exploris School will allow us to expand the reach of the Exploris mission, vision and values, and make a lasting impact in the lives of our students, their families and our community.

Your Contribution and Legacy Will:

● Expand Our Reach

The new Exploris School, located in the City Gateway building, will expand our enrollment an **additional 200 students** and allow us to focus on increasing the diversity of our community to be more representative of our world.

● Reduce Our Environmental Impact

The Exploris School new City Gateway facility will be part of the area's first **ENERGY-POSITIVE building**, producing all the energy it needs on site. This is an extraordinary, first-of-its-kind development for the Triangle region.

Learn more about the environmental impact at exploris.org

● Create A Center For Innovation

Exploris educators will launch a Center for Innovation in our new facility that will bring together **leading educational experts** to help solve global problems.

Ways To Give

Individual & Family Contributions

Donations of all levels are needed to help us achieve our \$1 million goal. Our capital campaign welcomes gifts from families, alumni, faculty and staff, families, friends and loved ones. Tax-deductible gifts can be made online or with our paper pledge cards. Donations of stocks or securities are also welcome.

Naming & Recognition Opportunities

Gift recognition opportunities will be available in the new building for unique spaces. These include: the Center for Innovation, the Atrium, the Music Suite, the Art Studio, the Multipurpose Room, and other collaboration spaces.

Please contact the Executive Director, Ellie Schollmeyer, to discuss stock donations or naming opportunities.

Be A Part of A Great Change! Donate Today!

Your generosity and commitment is so deeply appreciated and will have lasting impacts on our children and on our world.
